

MAD-Aid in numbers

39 hospitals and centres in Moldova and 2 hospitals in Romania received aid

102 Articulated Trucks have been shipped with aid

78 children from 10 villages benefited from education, transport, food, activities and excursions since 2015

29,000 free treatments provided to more than 1,200 children with special needs

1,270 wheelchairs were recycled, delivered and donated to 1,270 children and adults the have never had a wheelchair before

Over 2,000 tons of aid were recycled and saved from landfill from the Isle of Wight NHS, Mountbatten Hospice and other healthcare institutions in the UK

Over 4 million items of PPE, 30 items of medical equipment and 16 tons of disinfectant were sourced and donated in Moldova and UK

33 trucks with aid, with a total value of over £2.4 million, delivered to Moldova and Ukraine. 104 mothers and children hosted at Phoenix. Offering ongoing assistance to Ukrainian Refugees on the Isle of Wight

Completed 3 large capital projects and 11 small infrastructure projects. Bought 9 vehicles such as specialised minibuses, delivery vans, ludo bus, passenger bus.

Over 41,000 volunteers hours MAD-Aid managed for 10 years with one member of staff in the UK and a handful of specialists at Phoenix Centre in Moldova, hence the volunteer contribution has been crucial to everything we have achieved.

Donate time, organise a fundraising event, donate medical and specialised equipment or become a monthly donor:
